SIXTEEN TANZANIANS AWARDED PPP EXPERT CERTIFICATES

A total of sixteen (16) Tanzanian experts from various Ministries; Institutions and Agencies affiliated to the Ministry of Infrastructure Development were awarded Public Private Partnerships certificates of competence and expertise. This was after successful completion of a series of four two-week courses sponsored by the Ministry of Infrastructure Development (MoID) with financing from the World Bank.

The names of the experts and the organizations they come from are:

- 1. Julius Mamiro - National Construction Council**
2. Fahamuel Mnkeni - Surface and Marine Transport Regulatory Authority
3. Ayub James - Roads Fund Board
4. Elirehema Mollel - Ministry of Infrastructure Development
5. Mbila Mdemu - Tanzania Airports Authority
6. Samwel N.M.S. Mayiku - Ministry of Finance & Economic Affairs
7. Beatus R. Kahindi - Tanzania Ports Authority
8. Abdallah O. Mwinyi - Tanzania Ports Authority
9. Richard Giray - Ministry of Lands and Human Settlement Development
10. Felix J. Mlay - Ministry of Finance & Economic Affairs
11. Charles D. Mutalemwa - Tanzania Civil Aviation Authority
12. Biseko Paulo Chiganga - Ministry of Infrastructure Development
13. Eng. Michael Kisaka - Reli Assets Holding Company
14. Leo John Ngowi - National Institute of Transport
15. Aunyisa Boniface Meena - Ministry of Infrastructure Development
16. Ronald Lwakatare - Road Fund Board

The ceremony for award of certificates to these experts was opened by the then Permanent Secretary of the then Ministry of Infrastructure Development Eng. Omar Chambo while the awarding of the certificates was carried out by Mr. Tommy White, Director of IP3 from Washington D.C., U.S.A. In his official speech during the ceremony, Eng. Omar Chambo commended the Institute of Public Private Partnership (PPP) of Washington D.C., USA for facilitating the training programme and the World Bank for financing the training. He also thanked the Heads of Institutions who permitted their members of staff to be away from their work places in order to attend the training courses.

A total of 21 out of 37 participants have not completed all the training modules. Therefore, Eng. Omar Chambo promised to solicit for more funding to enable those who had not completed all the modules to complete the training as soon as possible.
